Dear Partners in Missions,

We praise the Lord for His provision and faithfulness to our family. I want to thank you for your faithfulness in praying and helping us financially as the Lord has directed you. The Lord has known what we needed, when we needed it and has worked in the hearts of His people to supply the needs of our family.

Language studies continue to go well. I can now read Thai quickly enough to be able to sing many of the hymns in Thai out of the hymnal. I can also follow along in the Thai Bible. My vocabulary is still not large enough to understand everything I am singing or reading, so I'm going to keep studying ☺ I have almost finished the 6<sup>th</sup> module, and have four modules left to go. Maureen is also continuing to study part-time. Please pray that our new baby would be an easy baby so Maureen will be able to get back to studying as quickly as she can.

At this time, we are nearing the end of the first Thai school semester of the year. And of course, that means the students at the Children's Home are preparing for their exams and the Bible School students are getting ready to for their exams as well. As one of the teachers for the Bible School, I taught a basic Bible Doctrines class that covered the Bible, the Trinity and the Church. I call it basic because we could spend much more time on each of these Doctrines. One of my favorite parts of the class time is when we open it up for questions. You never know what you will hear and it can be helpful in gauging where the students are at with the truth that has been taught.

The month of August began with a revival meeting with Dr. Wayne Sehmish preaching. Dr. Sehmish was a pastor in Australia for a number of years before he felt the Lord leading him to come to Thailand. I began picking up some people who are from the Hill Tribes of Thailand but have come out of the mountains to work at large pig farm about 17 kilometers away. The Sunday following the revival two of the young girls we picked up for Church were born again! Please pray that they and their families would grow in the Lord.

Thank you for your prayers for Maureen and the pregnancy. Maureen says this is the best pregnancy she has had, and the doctor says that everything is normal with the baby as well. Lord willing, our next Prayer Letter should include a birth announcement! The due date is October 11<sup>th</sup>, so please keep Maureen and the little one in your prayers over the next 4-6 weeks if you would.

For His Glory,  
Michael Sullivant Jr. and Family
