

The Sullivants to Thailand

November / December, 2007

Dear Praying & Supporting Friends,

Happy New Year! My how time flies! I trust you all had a blessed Christmas with family and friends in the Lord, and that 2008 will see God mightily at work in your lives and ministries. There is definitely much to be done before the Lord's return and I am thankful for the opportunity to serve Him in 2008.

Let me begin by saying thank you to each one who has been taking us before the throne of grace in prayer! It is reassuring to hear from so many who have let us know that you pray for us regularly.

The last two months have been busy ones for us with my younger brother Jonathan getting married to a fine young lady, Tamara, at the beginning of November; and meetings in Minnesota, Michigan, Washington and British Columbia before we made it back to Winkler, MB for Christmas. We pulled into Winkler on the 18th of December and began the mad rush of get-togethers with family and friends as this will probably be the last Christmas for a few years as we plan to move to Thailand this year. We praise the Lord for His safety as we traveled the mountains of British Columbia and Washington in the December storms that we were able to be a part of! ☺

Thankfully the Lord gave us good health as we traveled but when we arrived in Winkler we were greeted with a flu bug that hit the children and kept Maureen and I taking turns caring for them and taking those who were healthy to the various gatherings and Church services. Thankfully, I think we are on the upswing now.

As for an update on our support; at the end of December we had a total of 80% that was coming in! We praise the Lord for each Church that has been led to take our family on for support. Please continue to pray with us for the remaining 20% to come in. We know the Lord is in control of our support and we praise Him for working on our behalf in the hearts of so many of you who have already partnered together with us. Please pray that we will have full support and be able to move to Thailand in April of 2008.

Thank you to those churches which have been supporting us so faithfully as we travel. The Lord has used your faithfulness to be an encouragement to us and humble us at the same time with the responsibility we have as your ambassadors of the Truth to Thailand.

As you read this I will likely be in Thailand for the Missions Trip 2008 that Brother Rick Horn hosts every year. My purpose is twofold: 1) I want to be a help during this time and 2) I am going to arrange housing with Brother Horn, get some other household affairs in place, and start some of the paperwork for when we, as a family, will be able to move over to Thailand. If you would remember to pray for the services during this trip that would be much appreciated. Each year God has moved in a great way with many souls being saved and approximately 55 people who have surrendered to Full-time service for the Lord. Our desire is that God would

The Sullivants to Thailand

work in an even greater way to see Satan's grip loosened in Thailand and that He might use these meetings to bring Glory to His Name!

One blessing we had recently is that Maureen's younger sister Amy wants to come with us when we move to Thailand to help us with the three munchkins (Jessica, Wayne & Wyatt) as we get settled in. This will be a big help on the flights to Thailand as well as once we arrive and get settled in. ☺

If you have ever considered visiting a foreign mission field let me extend to you an invitation to come and be a part of next years Mission's Trip and see first hand what your missions program is all about; the salvation of souls and the planting of local Churches to continue the Great Commission. Lord willing my Dad (and sending pastor), Michael Sullivant Sr. will be one of the guest preachers for January 8-19, 2009. In John 4:35 Christ, after He had shared the Water of Life with the Samaritan woman, said, "*Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.*" This will be a great opportunity to go and SEE the fields of souls! I guarantee that you will not leave without a greater realization that witnessing at Home and Missions abroad, is well worth whatever the sacrifice that God leads us to invest into Eternity!

As I think about the 2007 and look forward to what God has for us in 2008 I am mindful of our home Church's theme for 2008, "*A Heart For God.*" Our verse for 2008 at the Pembina Valley Baptist Church is Psalms 19:14 (KJV) *Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.* May we, as God's people, choose to spend much time in communion with Him and with right hearts move out to obey His will for our lives so that He will receive all the Glory.

For His Glory in 2008,

The Sullivant Family
